**TERMS AND CONDITIONS FOR SYSTEM WARRANTY PROGRAM**

- (A.) Notification of contract award from the contractor must be received at least fourteen (14) days prior to start of application of roofing products for all system warranty jobs.
- (B.) Receipt and acknowledgment of this notice does not obligate Polyglass to issue warranty. Moreso, all conditions of the Polyglass warranty program for the completed system must be strictly complied with.
- (C.) Acceptance of this application warranty in no way will diminish any responsibility of the roofing contractor.
- (D.) Contractor agrees to give Polyglass notice of exact dates when work begins and is completed.
- (E.) Contractor agrees that during the first five (5) years should inspection by Polyglass reveal deficient or non-compliant workmanship, the roofing contractor will make necessary repairs at his own expense and in a manner satisfactory to KM.

- If repairs are not made within thirty (30) days of written notice to contractor, then at Polyglass' discretion, repairs may be made by others. Polyglass shall be reimbursed for those repairs immediately.
- (F.) Should inspection reveal deficient workmanship, and require repairs by the contractor necessitating a re- inspection, the cost of any re-inspection by a Polyglass representative(s) will be borne by the contractor.
- (G.) Polyglass assumes no responsibility for specification, construction or design of the building including the roof system, except as stated in the roofing warranty.
- (H.) This application must be authorized and signed by an officer or owner of the contracting company.
- (I.) Contractor agrees to install the Polyglass coatings system in accordance with the above provided Polyglass system and in compliance with published Polyglass requirements.

The undersigned roofing contractor requests approval to install the Polyglass system, in accordance with the Polyglass specifications and agrees to be bound by all terms and conditions set forth in this application. The undersigned contractor agrees for a period of two (2) years from the date of installation at his expense to provide labor to remedy all water intrusion/leaks and/or correct any non-conforming condition resulting from deficient workmanship and to meet the installation requirements of KM.
